AMENDMENT ACCOMPANYING APPLICATION

Honorable Director of  
Patents & Trademarks  
Washington, D.C. 20231

Dear Sir:

The present application is the national filing of international application number  
PCT/GB00/00762. Before calculation of the national filing fee for the United States, is requested  
that the application be amended as follows:

In the claims

Amend claims 4, 7 - 9, 11, 13 and 14 as follows:

4. (Amended) A method according to claim 2, in which each set of groups hierarchically  
arranged, which the members of each group at the bottom level of each hierarchical set being  
constituted by the data elements of that set, and the members of the or each group in the or each  
higher level being constituted by groups from the level below, so that, the higher a group in the  
hierarchy, the larger the number of data elements it contains.
